Delays caused by railroad maintenance. Besides the unexpected delays, passengers may also experience delays caused by railroad construction and maintenance projects. Every effort is made to schedule this work during off-peak and weekends to keep the impact of delays to a minimum. We also post service bulletins in the stations and on our web site in advance of anticipated delays.

In June there were 33 trains annulled due to railroad construction and maintenance projects. In addition to the annulled trains six train were delayed in excess of 59 minutes. These delays were caused by an vehicles stopped on the tracks, a broke down freight train, and one train had mechanical issues.
